About us

MARIWARD(Guangzhou) Governor Co.,Ltd. was established in 2005, is specialized in the R&D and manufacturing Governor Test Stands and related accessories.

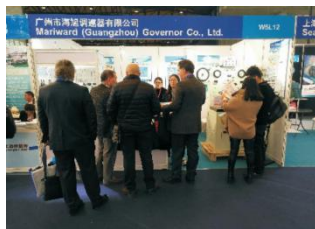

MARIWARD Drive shaft – Reliable, Cost-Effective Solutions

Based on years of experience in repairing governors from around the world, Mariward has developed a comprehensive range of **governor drive shaft and flyweight** parts. Our products feature **genuine core components sourced from the same suppliers as the original manufacturers**, ensuring **high-quality performance, reliability, and affordability**.

By using our overhaul parts, customers can **significantly reduce governor usage and maintenance costs**, making them a preferred choice among **governor repair service providers** in the market.

Compatible with Major Brands:

We offer **replacement drive shaft and flyweight** for multiple models of **Woodward, Zexel, Yanmar, Europa**, and other leading brands. For specific model compatibility, please **consult our technical experts** for confirmation.
